BOARD CERTIFICATION REQUIREMENTS

- Beginning July 1, 2009, all applicants to the DMC Medical Staff shall be Board Certified, or shall achieve Board Certification within five (5) years of completion of formal training.
- Individual clinical department Board certification may be more stringent. If so, the department's requirements supersede the DMC minimum Board certification requirement.
- The Board certification must be in the specialty and specific practice which clinical privileges are requested.
- Board certification must be in a specialty recognized by the American Board of Medical Specialties, American Osteopathic Association, American Dental Association or the American Board of Podiatric Surgery.
- If Board certification is time-limited, in all cases, the applicant will have a maximum of three (3) years to achieve re-certification, beginning with the expiration date of his/her current Board Certification, or will be voluntarily resigned from the Medical Staff.
- DMC medical staff members on staff prior **to July 1, 2009**, who are not Board certified will not be required to achieve Board certification. Eligibility for the Board certification waiver requires uninterrupted DMC Medical Staff membership since July 1, 2009.
- Under special circumstances, some outstanding applicants brought to the DMC may be ineligible for Board certification. These members will be considered by their departments on an individual case-by-case basis, and review by a subcommittee of the SICs, may be granted privileges without Board certification with a majority vote of the Medical Executive Committee and the Joint Conference Committee.
